BOARD STANDING
COMMITTEES

The College District shall have three standing committees of the Board:

1. Facilities;
2. Finance; and
3. Policies.

The function of these committees shall be advisory only. The committees shall assist the full Board in arriving at policy decisions by thorough review and analysis of specific issues brought to the Board by the College President. Each committee shall consist of at least three Regents appointed by the Chairperson of the Board. The Board Chairperson shall designate a convener or chair for each committee.

In addition, the Chairperson of the Board shall appoint ad hoc committees as needed. The ad hoc committees shall be organized on the same basis as the standing committees. The ad hoc committees shall deal with specific issues brought to the Board by the College President.

OPEN MEETINGS

All meetings of the Board's standing committees shall be subject to the Open Meetings Act when the committees meet to discuss College District business or policy.
